## JANUARY 2025 - CALENDAR OF EVENTS

MONDAY	TUESDAY	WEDNESDAY	THURSDAY	FRIDAY
<p><b>Please work along with us at home.</b> Dear Parent (s): This month in our classes we'll be enhancing children's opportunities to engage and develop critical thinking skills. Also we will encourage a positive self-image in the children. To help children become aware of himself or herself with physical likeness and differences. And to help children gain the understanding of feelings and emotions of themselves and other people.
